If this was not enough, the Africa was more haunted for the impact of the AIDS epidemic. Despite these conditions, Angel brings hoping and healing with every cake that bake. This is a book that can not be put aside. Begs to be read, just as Angel cakes beg to be eaten. I'll be anxious for the next à € œSlicéè € Gaile Parkin Kitchen above! Katherine W. (E) Sobrant, CA When it comes to writing Books Gaile Parkin is a very impressive person! "Baking Cakes in Kigali", a first romance from Gaile Parkin, happens in Rwanda a few years after the civil war. Each chapter is titled After an occasion for which the main character, Angel Tungaraza, was hired to bake one of famous cakes. When knowing the people for whom she is creating her confectionery masterpieces, Angel learns the stories of her lives, some traws, some full of humor. This is one of those special books that keep it fully engaged while at the same time infusing the story with an important policy message. It gives testimony of the terrible tragés of AIDS, genocide, malaria, poverty and government corruption, and all the time can be of heart and full of joy of living. Eileen L. (DANVERS, MA) draws it and does not let go cooking cakes in Kigali is a long winding road from a book. Centered around Angel, a special coupling baker, you are immediately attracted to his world. His forces, his sense of family, and his will to hear and learn to worship the reader almost immediately. While the difficulty in your life, and the lives of those around you, it is obvious, you have the sense that life, for Angel, has infinite possibility and joy has not discovered. This book is truly a trip, and a good worth carrying. Only you want to continue. Barbara B. (High Loma, CA) Cooking cakes in Kigali I love and I love eating cake and I love learning and reading stories about Africa, Africa,I knew that Cakes in Kigali had to be a recipe for a great reading and I was not disappointed. All the characters were charming and I liked the way Angel, the cake baker, hired his clients to tell their stories about a cup of tea and cake. The fact that these stories were based on real stories made the book especially interesting. It's hard to read about genocide and poverty, but Parkin's characters have overcome their tragedies. Angel, it is middle-aged and dealt with issues that many people deal with, such as grandchildren's creation, change and even AIDS. I wish the recipes had been at the end of the book. ...14 more readers reviews Aug 27, 2014 - [liblouis-liblouisxml] Re: List of UEB words.
